

HEALTH AND SOCIAL CARE

BTEC LEVEL 3 EXTENDED CERTIFICATE

QUALIFICATION

Advanced Level
Exam Board: Pearson

REQUIREMENTS

GCSE Level 4 English and Mathematics also 2 other GCSEs at Level 4 or Level 2 Merit Health & Social Care

Why study Health and Social Care?

This inspirational and inclusive course addresses the National Occupational Standards in health and social care. With a supportive and creative approach to independent learning it enhances current working practices regarding broad social and health concerns in a professional context.

What skills are required?

Today's BTEC Nationals are demanding, students will need to be organised, have good time management and be committed.

Students will be expected to carry out background reading for course content, both from available texts and internet research. Students should also be able to demonstrate practical and technical skills using appropriate workplace values and practices.

This is essential to support and strengthen their understanding of material covered in the specification.

Course Content

Learners taking this qualification will study three mandatory units:

- Human Lifespan Development
- Working in Health and Social Care
- Meeting Individual Care and Support Needs

Optional units: students select one optional unit alongside the mandatory units.

Optional Units include:

- Sociological Perspectives
- Psychological Perspectives
- Caring for Individuals with Additional Needs
- Physiological Disorders and their Care

To develop a better understanding of the demands of working in the sector and to demonstrate their commitment and interest in the sector when applying for further study.

How it will be assessed:

External Assessment	External Assessment	Internal Assessment
Written Exam	Case Study	Assignments
Unit 1 & Unit 2 1.5hrs 90/80 marks respectively	Unit 4 6hrs (supervised) 65 marks	Units 5, 7, 8 and two options modules
